Whilst Larson has used its best endeavours to ensure that the information provided in this catalogue - including (but not limited to) technical specifications, measurements and colours - are accurate and up to date at the time of issue, does not warrant that it is correct or complete. We reserve the right to make corrections and changes without notification and unless otherwise stated and agreed upon in writing, Larson makes no warranties of any kind, express or implied, that goods sold are suitable for any particular purpose or application under any specific condition. It is recommended that every item should be thoroughly tested by the purchaser to determine performance suitability before use of goods.
